## Mums the word

We celebrated Mothers Day at Springhill by having a Mothers Day afternoon tea and reminiscing with our ladies on Motherhood. Our ladies shared their stories and experiences with each other and also shared some tips with our staff on their best advice on being a mum.

Happy Mother's Day

Hello :)

We have had a busy few months here at Springhill. We have celebrated Mothers Day, Easter, held a coffee morning to raise money for dementia, enjoyed the sunny weather in our garden and much more!

We hope you enjoy this edition of Newsline.

Residents of Springhill

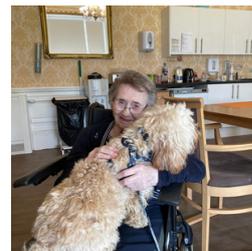

## Time for tea

Residents hosted a "time for tea" fundraiser to raise money for Dementia UK which was held in the residents café, Stewart Café. Residents enjoyed having a catch up with each other with the added benefit of raising money for a good cause. Tea, coffee and cake were enjoyed by all.

## You got a friend in me

Mr Ted the Cavapoochon made a return visit to our home. Everyone was so pleased to see Ted again. Ted loved his day in the home and even joined in on a game of hangman with the residents!

## Good "thyme's" in the garden

The nice weather has been creeping up on us so it is only right that we went outside and enjoyed our beautiful garden grounds. Residents have enjoyed many different activities outside such as tea and cocktail parties. We all have our fingers crossed that we will get lucky with our summer and residents can get out to the garden and the summer house more often!

## Celebrating our nurses

Residents enjoyed celebrating "International Nurses Day" by reminiscing on Florence Nightingale tales followed by a quiz afterwards. Residents also played BINGO dedicated to our Nurses and Senior Carers. Thank you to all our amazing nurses, we don't know what we do without you!

## Shaken not stirred

Residents at Springhill enjoyed a variety of alcoholic and non-alcoholic cocktails and some residents opted for just a good old beer or a whisky on "National Cocktail Day".
